Simunition® Certification Statement

General Dynamic OTS Canada is pleased to announce that it certifies the use and compatibility of its Simunition® FX® marking cartridges (9mm and 5.56mm) with the Inflatable Wall Company (IWC) range structures from Battlefield Sim Ltd.

This certification applies to the use of Simunition® FX® marking cartridges when used with Simunition® conversion kits only and under normal training circumstances. General Dynamics Ordnance and Tactical Systems - Canada Inc. cannot guarantee the performance or safety of the Simunition® Training System with any non-Simunition® products. Use of any non-Simunition® products with Simunition® conversion kits and the Inflatable Wall Company (IWC) range structures will void this certification from General Dynamics Ordnance and Tactical Systems – Canada Inc.

Yours truly,

Luis de Sousa
SIMUNITION® Product Manager
